A four-year-old Interagro Lusitano stallion brought a record price of \$145,000 recently at The 2010 Lusitano Collection™ International Horse Auction held at The Jim Brandon Equestrian Center in West Palm Beach, Florida. The third annual auction held in the US attracted notable trainers, breeders and professional and amateur practitioners throughout North America to bid on Lusitanos imported by two of the most important breeders in Brazil: Coudelaria Rocas do Vouga and Interagro Farms, the largest breeder and exporter of Lusitanos in the world.
